

# The 4th Annual Big Dog Challenge Golf Tournament

To Benefit the IAFC Foundation

Greetings,

You are invited to participate in the Fourth Annual Big Dog Challenge Charity Golf Tournament at Fire Rescue International August 13, 2013 in Chicago, IL. This exciting 4 person scramble will help kick off the week at FRI. Over the past three years, this 1-800-BOARDUP charity event has raised \$25,000.00 for the International Association of Fire Chiefs Foundation. *This event is always sold out* with over 150 participants, including numerous fire service professionals, dignitaries & celebrities!

This year's 1-800-BOARDUP Big Dog Challenge promises to be the best ever, as it is being held at the beautiful *Bolingbrook Golf Club*, which combines the elements of a world-class facility and championship golf.

Please take a few minutes to review the attached event flyer and sponsorship opportunities that are available to support the IAFC Foundation and build your brand in the fire service.

With the continued support of fire service professionals, fire service vendors, as well as local businesses, together we will exceed our past charitable goals & increase the educational opportunities of today's fire service leaders, as well as our future leaders in the fire service.

If you have any questions you can go on-line at [www.TheBigdogChallenge.com](http://www.TheBigdogChallenge.com) or feel free to call either of us at our contact numbers listed below.

We truly look forward to seeing each of you at this year's Big Dog Challenge in Chicago, as well as raising money for our friends at the IAFC Foundation!

Respectfully,

**Tony Young**  
**National Director of Recruiting**  
**Fire Chief Recruiters**
